Introducing **INTERWIRE 2011** | Exhibits: May 3-5, 2011

Please use this invitation and join us at the Georgia World Congress Center, May 3-5, 2011, where—as our guest—you will have complimentary admission to the Interwire exhibit floor.

Interwire is the only place in the world this year to experience a wire and cable marketplace this vast where more than 400 companies are represented. This is your opportunity for face-to-face dialog with the industry's leading international wire and cable producers and suppliers. Displays cover more than 150 product categories for the ferrous, nonferrous, and electrical wire and cable segments.

Highlights include:

Operating Machinery | On-floor Production Solutions Demonstrations | Networking
